Education

Bachelor of Education (Secondary) – Mathematics and Computing

Australian Catholic University – Expected Graduation: 2028

- Relevant coursework: Mathematics and Computing Curriculum Studies, Inclusive Education, Educational Psychology

Teaching Experience

Learning Support Officer - Marist College Kogarah

Sep 2023 – Present

- Provides differentiation in classrooms to students with diverse learning needs
- Works with students in one-on-one and small group settings
- Majority of the classes I help in are mathematics classes. All year groups 7-12
- Presented HSC advice and exam tips to entire Year 12 Mathematics Standard 2 cohort

Director at Baroud Education Mathematics Tutoring

Jan 2023 – Present

- Provides one-on-one and group mathematics tuition to high school students
- Creates personalised worksheets and study timetables for students
- Communicates with students, parents and tutors
- Hosts HSC group seminars to summarise content

Pre-service Teacher – Marist Catholic College Penshurst

Nov 2024

- Observed mathematics classes of different teachers
- Had to cater my teaching style to different levels of understanding as I worked with the bottom Year 7 class and the accelerated Year 8 class
- Created detailed lesson plans linked to mathematics syllabus outcomes
